

Charleston, S. C., Dec. 17.—This city was decorated today for a patriotic demonstration and a welcoming celebration in honor of Maj. Gen. Leonard Wood, taking up headquarters here as commander of the newly created southeastern Department of the Army. A great parade will be held this afternoon. Charleston's business men will welcome Gen. Wood and his staff at a banquet to-night.

Distressing, Disfiguring Red Pimples Healed in 3 Weeks By Cuticura Soap and Ointment

"I had large red pimples all over my face and forehead. My face was inflamed from them and I looked an awful sight. I was ashamed to go to work and my face itched which made me scratch and make the pimples bleed. I saw a Cuticura Soap and Ointment advertisement and sent for a free sample. I saw a very great improvement so I bought more and after using them three weeks I was healed." (Signed) Louis Stempel, 15 E. 108th St., New York City, June 7, 1916.

How much better to try to prevent these distressing disfigurements by using Cuticura for every-day toilet purposes, the Soap to cleanse and purify the pores, with touches of Cuticura Ointment to the first signs of eczema, rashes, itching, pimples and dandruff. You will use no other once you try them. Then why not make them your every-day toilet preparations and have the clearest skin and best hair possible, all the time? Do not confound these delicate, fragrant, super-strengthened emollients with coarsely medicated often dangerous preparations used as substitutes.

For Free Sample Each by Return Mail address post-card: "Cuticura, Dept. H, Boston." Sold everywhere.

VOLUNTARY CENSORSHIP TO BE GIVEN FAIR TRIAL

If Newspapers Do Not "Step Over the Line" They May Not Be a Gag Law.

WASHINGTON, May 17.—Whether or not the Administration presses for a censorship law depends upon the conduct of the voluntary censorship during the next few weeks, it was learned to-day.

Administration officials say that the original purpose of the Gregory bill was to curb a few isolated papers in the country who were ignoring the censorship self-imposed by other newspapers.

House and Senate conferees on the Espionage bill begin their work to-morrow. The House adopted a censorship section, but the Senate conferees have been ordered to accept none.

The Administration will accept the result of the conference report—whatever it is—until it is found the newspapers are "stepping over the line." If this happens, the President will again demand a censorship law from Congress.

AUTOS HIT BOY AND MAN.

One Internally Injured and May Die—Driver Held blameless.

Thomas Dunn, thirteen years old, of No. 216 Grove Street, Williamsburg, ran in front of an automobile while crossing the street to a bakery at 7 A. M. to-day. Both legs were broken and he was internally injured. He is expected to die by doctors of the German Hospital. Witnesses said Joseph Abenderfer, No. 129 Hancock Street, owner and driver of the car, was not at fault.

About the same time Gustaf Anderson, forty-seven, boiler-maker, of No. 729 Fulton Street, Williamsburg, had a leg broken and received other injuries when a motor truck struck him at Broadway and Havemeyer Street. He was taken to the Williamsburg Hospital. William Olmstead, driver of the truck, said Anderson ran in front of it.
